

## Creating Communication Opportunities throughout the school day

A practical course for education and health professionals, families, whanau and other interested people. This workshop looks at ways to maximise the use of low tech communication tools to support student's expressive and receptive communication skills.

### ***This 3 hour workshop covers:***

- Core vocabulary:
  - *what it is and how to help children learn to use it*
- Developing a communication toolkit
- The essential skills you need to be a good communication partner.
- Communication books and boards:
  - *what to put in them and how to make sure they are useful and used*
- Scripted and aided language routines
- Games for communication

Lots of practical tools, resources, tips and tricks will be shared.
