

Supporting Students to Communicate Successfully

A practical course for families, schools, pre-schools and Early Intervention teams, based on the C.A.M.P. framework (**C**reate communication opportunities, **A**dd AAC, **M**odel, and **P**rompt).

This nine hour course* covers:

- Creating communication opportunities
- Including assistive technology (AAC)
- Modelling communication to maximise independence
- Prompts: identifying how and when

*It is preferable that the course be delivered as three separate sessions to enable implementation of the skills between sessions.
